BACKGROUND

This amendment programs \$1,075,000 from El Dorado County's Unprogrammed Share Balance in FY 2001-02 for the environmental phase (PA&ED) of an interchange improvements project in Placerville on Route 50.

The purpose of the proposed project is to improve traffic operations and to accommodate projected increases in traffic volumes at the Forni Road/Route 50 Interchange and to provide new access at the Ray Lawyer Drive Overcrossing.

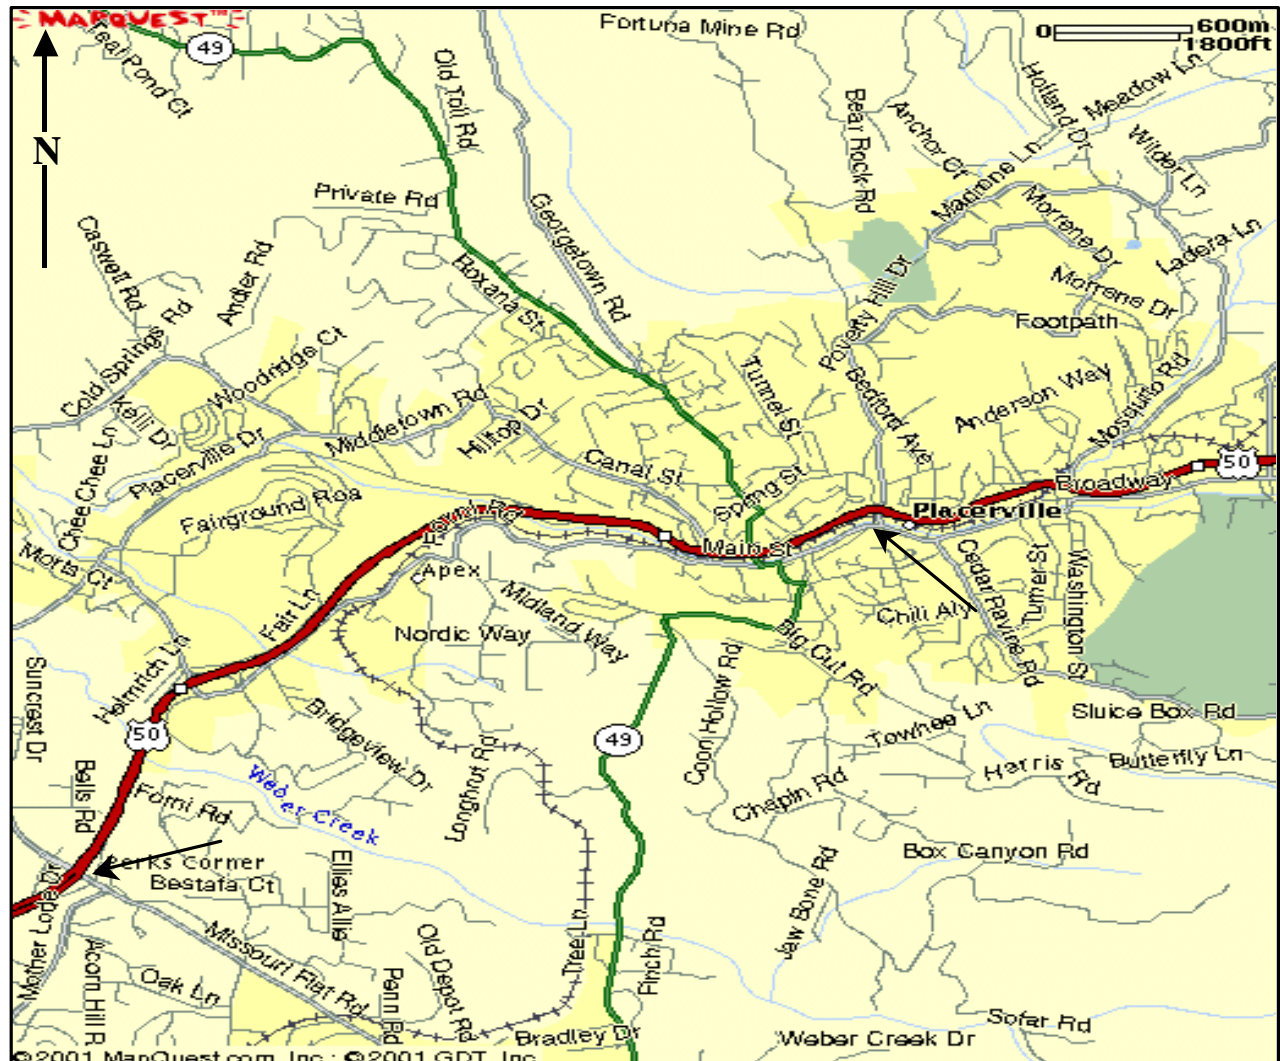

The total cost of this project is estimated to be \$22,900,000 with the future funding needs of \$21,825,000 being provided by City of Placerville Impact Fees (\$2,600,000), El Dorado County Shares (\$6,825,000), and Federal demonstration funding of \$12,400,000 from the Federal FY 2003-04 Transportation Reauthorization Bill.

The programmed amount for this support component includes ten percent for Department quality assurance.
